President's Message Mariann Hayes, Iowa

Happy Spring – or so we hope soon!
I think most of us here in the Midwest have had enough of winter and are hoping for an early spring. But as I sit here preparing this – it is snowing once again here in the Quad Cities.

Today, the Iowa Council had their Spring Board meeting and a new member of the Alpha Beta's was introduced. Her name is Deb Hitchcock. Welcome, Deb. Margene Holtze from Nebraska will be our IC Rep at State Convention. We are looking forward to her visit.

The Board traveled to Bloomington, IL March 25-26th for our meeting at the convention site. We found the hotel very nice and staff very accommodating. We had a tasting lunch where we tasted and chose what we are having for convention – good food ladies. Norma Donnay and Joyce Reed are working very hard on preparing a fun convention for you. We look forward to seeing you October 14-16, in Bloomington, IL.

The Board has reaffirmed our decision from last year that we will not be traveling to the states for their conventions. By doing this we are going to continue to make MARC more solvent and feel that by next year we will again be able to travel. A letter is being prepared to send to the State President's and MARC Reps. Thanks

for being so patient with us in trying to get MARC back on track.

I am anxious to hear about all the new members our states have recruited. And again, I am challenging you to bring one new member/person to MARC. If you were at the MARC convention in Indiana, you will remember we had only 21 days left in October to fulfill Dora's membership challenge. At convention, in October, I would like to recognize those that did in fact enroll new members in those 21 days. How about the State Presidents holding up a sign with the number sometime on Saturday?

International Convention will be in Kansas cITY in July. I hope everyone is planning to attend. I'm looking forward to seeing those who attend at the MARC meeting on Friday, July 22 at 3 p.m.

Things we need to keep rolling are – Hope for Heroes, a scrapbook page from each state for Dora (send to Margene Holtze), new members, and to keep all of our sisters healthy, happy and safe.

Martin Luther wrote, "Our Lord has written the Promise of the resurrection not in books alone, but in every leaf in springtime.

Happy Easter and spring!

MARC Jr. Past President

Brenda Meyers, Ohio

How well behaved are you? Not too... then the MARC board is the perfect place for you! As we swiftly approach summer (just waiting for spring here) we are in need of

your talents. There were over 100 members at the MARC conference in Indianapolis and I did not meet anyone that wasn't perfect for the job!

Please consider a position of service to MARC. We need your

extraordinary talent, and not all that much time. The board meets three times a year – usually March for a planning/organizational meeting; IC convention in July; and the MARC Conference in October.

Contact me anytime if you have questions about the positions available. Check out the Operations Manual on the website as well. Nomination forms, along with Conference bid forms, are available on the web and in this newsletter. I eagerly wait to hear from you!

Brenda Meyers
Jr. Past President/Nominating Committee

MARC Vice President

Deana Walters, Indiana

Hi everyone. I know many of you are so ready for spring. It has been a rough winter.

Everyone is back from Leadership in Denver and boy did we have a great time. There was so much information...the brain was in overdrive for many days afterward. There were many new things presented, the new

web site, the new logo, the new ideas and new merchandise and we need everyone to help with their new ideas..what can we do to take ESA to the next level? Headquarters is hoping to have the web site up this spring and it will be exciting. I know this is the next step in getting ESA to be a household word around the U.S. and across the seas. We have a great deal to offer and we need to continue to spread the word. "U" can make the difference. Stayed tuned, I know all of you will be excited. And thanks a bunch to all of you for allowing me to represent you as the MARC Incoming President. It was a great honor and privilege.

Now get your pencils out... I am hoping all of you have marked your calendars in October 2011 for a great MARC Conference being planned by Norma Donnay and her Illinois sisters. There will be more information to follow and your MARC Rep will be telling you more at your State Convention that is just around the corner. Start saving your nickels and dimes now. We would love to have all of you there.

There are many sisters out there with many talents and we, the MARC Board, are in need of your help and assistance. MARC will only be as good as all of you make it. I have asked all of the current presidents and incoming Presidents to seek out those who are willing to serve on a committee or accept an appointment and/or run for an office. It is an opportunity to serve and make our regional council even stronger and to have more fun and to meet more and more members. YOU have the talent, please share it. I will be looking forward to having your volunteer sheet either via email or snail mail. I know Brenda would be excited to have nominations also. I have asked Glenna to attach the forms to this ReMarcs.

I would love to have the names of your new members along with their emails. Please have your Membership Directors forward

those to me at dwaltesa@att.net as soon as possible.

To all of the 2010-2011 Presidents, I hope you have enjoyed your year and that you have many new memories; have obtained all or some of your goals and by all means have a great convention. Having FUN should be first item on your agenda!!

To the incoming Presidents, thanks for sharing time with me at Leadership and if there is anything that I can do for you, please let me know, I am here for you and please enjoy the coming year. Best wishes to you and the new board for your state for a great and exciting year. Just remember you have to have fun! U R the Difference!

ESA Love to all
Deana Walters, VP

MARC Treasurer

Emmy Neustrom, South Dakota

Hello, everyone. Spring has sprung, I wish. Probably a few more times of snow will fall upon us, before it's officially warmer weather. We've had a lot of snow this winter in South Dakota, and they're already preparing for flooding in lakes and rivers.

Soon, our State Conventions will be here gathering sisters in all the states who are a part of MARC. Fun, fellowship, celebrating, after everyone puts in all their hard work into time volunteering and fundraising for all of ESA great causes. At your State Conventions keep this in the back of your minds. Members who have attended MARC Conferences in the past, get the word out to other sisters in your state, as to how much fun one can have at MARC Conference with planned speakers and workshops, inspirational messages, and entertainment we all do ourselves. The

fellowship of new and old acquaintances is the highlight of getting together, plus we all get educated on new things to enhance our lives.

Get a bus load of ESA sisters and come to the 26th annual MARC Leadership and Conference in Bloomington, IL October 14-16, 2011. It's a great road trip, and you'll all want to be there to make "Treasured Memories of MARC". Did you know the MARC states have a little over 1,500 ESA members. Come on..... let's double the attendance from last year's conference (roughly 130 attendees were in Indiana) to 260, or around there. That would be great!

Thank you all for the work you do for MARC. Love in ESA.
Emmy

MARC Communicator

Glenna Segall, Michigan

This has been a very crazy year so far, not just because of the weather here in Michigan and all over the world, but in general.

This issue is late as I wanted to be sure to include information that may have come out of the MARC Board Meeting.

Unfortunately, I will not be attending this year's IC again as our international son and his family are coming for a visit the week of IC. I have yet to see his two children and cannot miss their visit. I expect lots of articles and photos from the convention for the reMARC's issue. I will be at the October Convention and look forward to seeing you all there.

My husband and I are both retiring this year, I will be retiring at the end of December and he will be retiring sometime after the first of the year. We plan on doing some travelling around the US and possibly Europe.

MARC Ways & Means

Lynn Howley, Indiana

Hello from the Hoosier State! My name is Lynn Howley and I am your Ways and Means chairman for the 2010-2011 MARC year. Thank you to Mariann for asking me to take this appointment. If you know me, you know raising money is one of my passions, without Ways and Means, we do not have the means to run MARC. This is my first office in MARC, so am excited for this opportunity.

For those that do not know me, I have been a member of ESA since 1993 when I joined at Ball State – Phi Alpha. I live in Boggstown, IN with my parents (I am hardly ever home, so I and they don't see the need to pay mortgage or rent on someplace that I am never at). I work at St. Francis Hospital on the Southside of Indianapolis as a Registered Radiologic Technologist with special credentials in Bone Density. I am very active with my professional society on a state and national level, including going to Washington, DC to lobby for a radiology bill (yes, I spend some time as one of those lobbyist...but we don't have the large money to sway anyone's vote or support, so we are NOT that kind of lobbyist!) and making calls on my elected officials that represent Indiana in Washington, DC. I also have a fun part time job at Lucas Oil Stadium as an elevator operator for their major events – mainly Indianapolis Colts games. On top of my activities with my chapter, Gamma Pi-Indianapolis, you can see that I am truly never home.

The year is new, but start thinking about MARC 2011 in Illinois. We will of course have the Chinese raffle, silent auction and the live state basket raffle! Would love to see some heated live bidding for the state baskets and the silent auction next year!!

Also, looking at doing the Money raffle again. Illinois gambling laws are different county to county, so Jamie Atchison has agreed to look into what the laws are for the county where the conference will be at. We will not be doing the long sleeve shirts, but will be looking at rolling out some other article of clothing with the MARC logo on it as a fund raiser. Will have more info in regards to that after the spring board meeting. If you have any thoughts, just let me know I am open to all suggestions (lehowley@franklinisp.net)!!

How strange is this?

This year we will experience 4 unusual dates: 1/1/11, 1/11/11, 11/1/11, 11/11/11 .

NOW even more odd,
go figure this out.

Take the last 2 digits of the year you were born add that to the age you will be on your birthday in 2011 and it will equal 111.

How is that for strange?

STATE NEWS

Indiana State President Peggy Zimmer

WOW! I'm GLAD the ice is gone and I hope the Snow is gone also. But I have my doubts that Winter is over. The State Basketball tournaments, ISU Men (Sycamores) are going to the "BIG DANCE" NCAA TOURNAMENT. GO BIG BLUE!!! Gary, my husband, yells "GO PURDUE" Go figure! I'm trying to RE-TRAIN him.

I know Indiana is busy planning Spring Projects and Delta Zeta is busy working on 2011 Indiana State Convention. Please note your June calendar's June 10-12 2011, "Painting the Town ESA Style" at the Terre Haute Holiday Inn located at US 41 & I-70 exit. Delta Zeta is really excited to be able to host the convention this year.

The Winter Board Meeting was a success with several Proposed BY-LAWS. These will be in your LAMP, please read and discuss them as they will pertain to our FUTURE.

Please read more in the LAMP about items needed for the Easter Seals project at Spring Conference. We will be making care packages (boxes) for the Fort Wayne Easter Seals group homes. Please bring items to place in them (such as books, crosswords, pens, snacks, movies etc.) . There will be a team building activity built into this activity at Spring Conference as well as a competition.

Ask yourself this; I'm I going to enter the Association of the Art's at state convention? Yes, no or maybe, the dead line to get the registration forms in is May 15th. However, for those of you that plan ahead I have great news, you don't have to wait till May 15th to turn your registration forms in. That's right, I know that may come as a shock but you can turn them in today if you want.

It's not too early to start planning what food delight you will bring for the special anything goes food category to support the Light House Mission.

Hopes for Heroes has been busy doing several things and of course, collecting coupons. Bj Voll, IC Hopes for Heroes Chair has been very busy attending Indiana National Guard Family Services Conference. Debbie Frazier, Jr Past President has been helping out also. Indiana is very PROUD to call these LADIES our SISTER for the all they do for this IC Program. Hopefully, Indiana will have a surprise speaker at our Indiana State Convention in June.

In closing: Indiana ESA is a Challenging and Worthwhile Organization.....Let's work hard to remember education is our goal and WE DO SO OTHERS CAN by Taking it to the MAX.

pz aka Maxine (Peggy Zimmer, Indiana ESA State President)

Iowa State President Deb Connell

I think I can speak for all of my Iowa sisters when I say WE ARE READY FOR SPRING! Our weather has been rough this winter and we had a couple days of 50 and 60 degree temps but apparently that was just

a tease as we are supposed to get snow again this weekend. By the time you read this we will have had our Spring Board meeting and spent a bit of time planning for our state convention in May. We have been busy and getting busier as Spring seems to be filled with events that need our help. The last weekend of January the Alpha Kappa chapter held their annual scrapbook crop for St Jude. Several members from several chapters volunteered at the WLLR/St Jude Radiothon on February 24 & 25, and we will work the Chuck Long Sports Auction to benefit our local Children's Therapy Center (previously an Easter Seals affiliate) on March 12th.

But busy is how we like it. And it keeps us all out of trouble...well most of us, anyway. 😊 Hope everyone survived the winter in your area of the country and that you enjoy your spring.

Deb Connell
Iowa State President

**Michigan State President
LeAnn Wray**

Greetings from Michigan!
I hope all our MARC sisters are enjoying fall and looking forward to the approaching winter! Well, maybe not winter, but the upcoming holidays!

I would like to thank the entire Indiana State Council for treating all of us like royalty at the 25th annual MARC Conference. The weekend was filled with wonderful workshops, learning all about “**going green**”, sorting and wrapping greeting cards of all kinds for our military men and women and a Halloween costume party that gave all of us a good laugh or two! Of course, sprinkled in was lots of good food and

drink! Congratulations to Mariann Hayes and her newly installed board. All of our MARC sisters are looking forward to an exciting year with you as our leader! A big Thank You to Brenda Meyers for your dedication and leadership. We enjoyed every day in Paradise with you!

The Michigan State Council has been hard at work since the MARC conference. Some of our chapters have been involved in hosting Texas Hold'em Poker nights at many of the local halls. Many of us in the Michigan State Council will be attending the Wreath's Across America event on December 11, 2010 at the Great Lakes National Cemetery in Holly, Michigan. At 12 noon (this will take place all across the country, at every National Cemetery) we will be laying wreaths on the graves of the military men and women. The WYCD country cares for kids, St Jude Radiothon will be happening in December also!

May everyone have a wonderful, blessed holiday season! Happy New Year too! And remember: **"The aging process has you firmly in its grasp if you never get the urge to throw a snowball."** ~ Doug Larson
LeAnn Wray
Michigan State Council
President

Note: This article was mistakenly missed in the last issue, I apologize to LeAnn and the Michigan sisters for this.

**Minnesota State President
Terri Olson**

We're counting the days in Minnesota until it's Spring time; this winter has been going on for far too long! We've been busy with fundraisers for St. Jude Children's Research Hospital including a wine tasting event coming up on March 10, our annual Style Show / Silent Auction, and a Scrapbooking

party is being planned as well. We've tried some new things this year, too. At our last meeting in January, we were able to have a meeting, perform 90 minutes of cutting out baby caps for Bundles of Love, hear a speaker for a potential philanthropic project, PawPADS (they brought two puppies which were huge hits with the crowd), and be ready for a luncheon by 11:30am. It was great! Our March and April meetings plan to provide more meetings like this one. Our Convention is May 20-22 and it's also planned to not be the normal venue. It's our 60th year Convention so we're looking forward to celebrating all the good things we've accomplished over the years.

**South Dakota State President & Representatives
Barbara Campbell, Emmy Neustrom,
Luann Ouellette**

Merry Christmas, Happy New Year's, and Happy Valentine's Day ... where have the past two months gone?

South Dakota has been experiencing weather that is cold. The Land of Variety has had snow, sleet, thunder & lightning and rain. The sunny days are becoming more frequent, not necessarily warmer though. In a few more weeks DST will be here and we'll have light longer in the evenings...let's not talk about the dark longer in the morning. THINK SPRING and it shall come.

Incoming President Carol King attended the IC Leadership Conference in Denver and said it was wonderful...so much to learn, so little time to absorb it all. Alpha Lambda, Carol's chapter, is hosting the Winter Workshop in Vermillion on March 19. Carol will have the opportunity to share what's new in ESA for the upcoming year. We understand she is going to put the participants to work.

Since President Barb was not able to have a Summer Board Meeting, she is going to open what's usually the Executive Board meeting at Winter Workshop to all members.

The "Dare to Imagine" State Convention will be held May 6 and 7 in Dell Rapids. Alpha Chi chapter is hosting State Convention for the first time ... those ladies are excited and we're excited to join them. Read about The Grand Opera House www.dellrapidsgrandoperahouse.com It is truly a one-of-a-kind venue. Our IC Rep will be Corresponding Secretary, Margene Holtze, who is a Nebraska MARC sister. We haven't heard who our MARC rep will be but guessing it will be South Dakota's Emmy Neustrom, the MARC Treasurer.

Several chapters have installed their 2011-2012 Officers and they're off and running. Think Spring ...
Luann, Barb and Emmy

**IC President
Dora Dill, Nebraska**

Sign of our Times

Winter! Yes, it is nice to have the four different seasons; but do we always have to have winter stretch out so long and be so cold and snowy? Well – probably! That is just the way it is – so we

accept it. I was curious why the squirrels were so busy this past fall burying their acorns and nuts – they are not stupid! They knew what was coming and we should take a hint from them that it would be a long, cold and snowy winter. The experts also indicate that the squirrel’s tails get bushier and that they build their nests low in the trees rather than in the tops. My father always told me to watch the fur on horses whether it seems thicker than usual – that would mean a hard winter. There are signs for us to be aware of when it comes to our winter months.

Signs in our own life and in the lives of others become apparent also. We know when our children are not feeling well as well as our spouse just be watching their energy level. You know that when you are not feeling up to par, your enthusiasm is not the best and would just like to be left alone (probably like that old bear who is hibernating about right now)! So we do know our own individual signs.

Now - what about your ESA life. Are you enthused about your Chapter, your State Council, your District, your Region, or your IC Council? Don’t be like the winter animals and attempt to take it easy because you have already prepared for different projects. Take on a new one – be challenged! Continue to be that individual that cares about what is going on within your surroundings. Be enthusiastic and encourage your members to take an active part in projects and meetings. ESA cannot continue to be strong and have great futuristic ideas if WE all do not do our part to provide energy and great expectations of ourselves and for others. Each individual is very important and valuable to our organization. If someone is not feeling up to par – send them a note; if someone is not sure of their responsibilities, take the time to show them what they need to do; and if you yourself cannot accomplish a task alone, please do not hesitate to ask for help. ESA’ers are there ready to assist anyone of us with whatever we may ask for – and remember to share ESA with your friends – and have new “Dreams and Visions” for the future of our organization. “Recruitment” is the sign of our times!

News from our MARC Reps:

Illinois MARC Rep Norma J Donnay & Joyce McCoy

Plans are underway for the 2011 MARC Conference which will be held, October 14-6, 2011, at the DoubleTree Hotel in Bloomington, Illinois.

The MARC Executive Board will be meeting at the hotel, March 25-26 to discuss proposed arrangements for the Conference.

Mark your calendars for October 14-16, 2011. We will keep you posted with developments. Share your ideas with us. We want to have a “fun” conference, and who knows, you might even “learn” something!

Norma J. Donnay
Joyce McCoy
Illinois MARC Reps

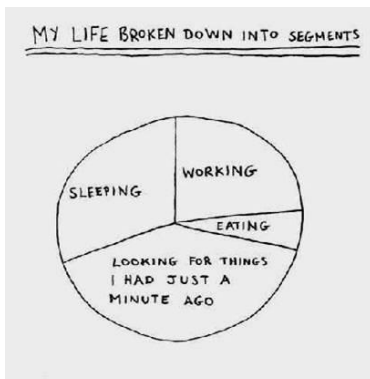

Indiana MARC Rep

Pam Hamby and Joyce Fears

Here in Indiana, we already have "Treasured Memories of MARC", having hosted "Indiana Indeed" in 2010 with its wonderful Leadership Seminar speakers, Market Place and that unforgettable Friday night Halloween Party. Now it's time for all of ESA to create more "Treasured Memories of MARC" at the 2011 MARC Conference in Bloomington, IL, October 7-9 at the Doubletree Hotel and Conference Center.

How do we prepare? First, we save our money. Secondly, we bring along a friend to share in all the fun.

(Bring 2 or 3 and minimize your hotel expenses, leaving more money for fun.) We will honor the outgoing officers, including Indiana's own Pam Grenard (Parliamentarian) and Deana Walters (Vice President). You can probably guess by now that we Indiana gals are looking forward to celebrating Deana Walters installation as MARC President in Bloomington, IL. Soooooooooooooo, plan now to be part of the Memory Making at the 2011 MARC Conference.

Iowa MARC Representative

Sandi Anderson & Coletta Macaluso

Greetings from IOWA

Greetings to all, hope you are waking from your winter hibernation!! As if we had a choice, snow, snow and more snow!! It is wonderful to see the grass and to hear the birds. Enough about that!!! We have been busy in Iowa, this winter the Kappas held a very successful 12 hour scrap for St. Jude's with record breaking attendance. Of course it is the season of the St. Jude's Radiothon, this year both the events in Quad-Cities and Burlington were able to surpass last years' totals, all of which is always great news!!! We held our Spring Board meeting on March 5th with 52% of the membership in attendance, which is always a good sign. Plans seem to all be in order for our State Convention on April 29-30 and May 1st. We will be enjoying the 'Good Old Summertime'. Wish you could all join us!! Last, but not least 14 traditional members and 15 collegiates were able to work the Sports Auction for our local Children's Therapy Center and raised a grand total of \$70,000. It is amazing how generous people are!! Onward and upward to the next event, the only right we have is the right to be of service.

Michigan MARC Rep

Cyndi Malow and Jean Varga

Our Michigan sisters are looking forward to a bright, sunny spring coming soon.

The warm spot this winter was our successful “Hats Off to the Kids of St. Jude” event with a Bunco Party, hat decorating contest and silent auction. Hats were decorated with children’s themes and were auctioned off after voting for our favorites. We all had a great time while raising over \$2500 for St. Jude.

Looking ahead, our annual Fun Day will be held this month and plans are under way for our State Convention in May. It’s not too early to start thinking about the IC Convention as the yellow brick road leads us to Kansas this year. Happy Spring! Agapé

Nebraska MARC Representative Marcia Chairbos

Greetings from Nebraska, where it has been cold long enough-----I am certain you are all glad Spring is just around the corner!!!!!!!!!!

Nebraska chapters have been busy doing their GREAT educationals---what a wide variety we have. Alpha Omicron of Cambridge has a theme of TAKING TIME FOR THE SIMPLE PLEASURES. Alpha Sigma of Grand Island has been learning a lot about GOING GREEN

AND BEING GREEN. Alpha Nu of Omaha

Wisconsin MARC Representative Bonnie Schattner & Val Priebe

Spring can’t get here fast enough for me and the rest of the state this year.

We just had our Spring Council meeting and got caught up on everything going on in the state. Since our convention is early this year – all year end reports are due the middle March.

There are several fund raisers going on this month for St. Jude’s the first one is the 4th with the Celebrity Waiter Dinner in Madison and on the 20th is a Euchre Card party also being put on by another chapter in Madison. In late April we have a Bowl-A-Thon for St. Jude’s in the Milwaukee area so we’re keeping ourselves busy in the state with different project and fund raisers.

Right now my chapter is making pillowcases with some very cute children’s material. We also bought some plain ones hoping that our art teacher can do a project with some of her students to do some artwork on them.

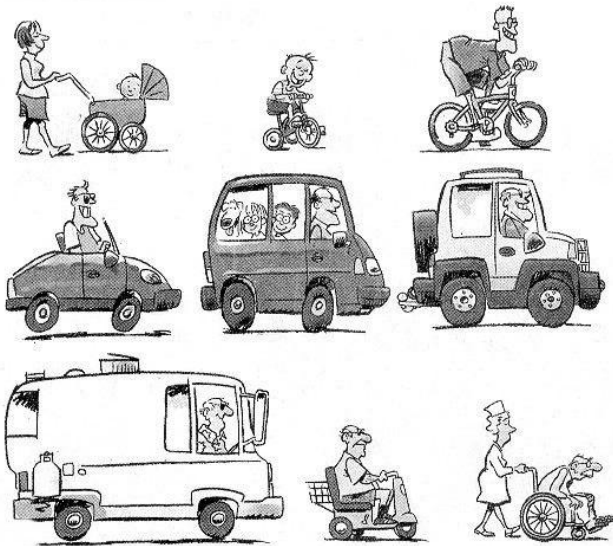

I hope everyone has a good state convention and a safe trip home.

Bonnie Schattner
Val Priebe

reMARC's Deadlines

Articles Deadline	Publication Due
June 1, 2011	June 20, 2011
August 1, 2011	August 20, 2011
November 1, 2011	November 20, 2011

The Wheels of Life

Please use the table above for your reference to mark your calendars for the deadlines for future articles for the reMARC's. I don't want to miss anyone's articles, and I want to get the newsletter out in a timely way. I think if we can all shoot to get the articles to me by the article deadline dates, then I can get the newsletter put together and out to everyone by the publication date.

SAVE THE DATE!

Mark your calendars!! **October 7-9, 2011**

You and your entire State membership are invited to attend the 2011 MARC Leadership and Conference at:

Doubletree Hotel & Conference Center
Bloomington, Illinois
Hosted by the Illinois State Council
"Treasured Memories of MARC"
(See the page in this issue about the conference)

October 12-14, 2012

Embassy Suites
Kansas City, Missouri
Hosted by Missouri State Council
"Rock to the Oldies"
Friday will be "Hitting the Beach" for lunch with Friday Night "Sock Hop" and "Meet Me at Arnolds"-- come as your favorite Happy Days Character. Saturday Luncheon--"Lunch at Graceland" Elvis to be in attendance. Saturday Night--"Twisting the Night Away" with Chubby Checker. Sunday Memorial Service--"Hello Friend! Bless You Always". Sunday--

End to Oldies--Back to 2012". More information to come.

MARC Conference Ways and Means

We will again be doing the Chinese Auction at the conference! Please start donating items in the \$15 and above range for this! We will be selling 20 chances in an envelope for \$5 or 3 envelopes for \$10!

We will also be conducting the Silent Auction filled with handcrafted items made by our MARC sisters! The price range needs to be in the \$20 and above area!

States, start getting those state themed baskets filled! We will be conducting live auctions throughout the weekend with these beautiful baskets! Food, wine things seem to go really well! Make them reflective of all good things in your state!

Contact Lynn Howley, MARC Ways and Means chairman, at lehowley@franklinisp.net, or 317-840-0996 if you have any questions!
