Hello MARC! We sure missed those of you who weren't at the MARC Conference in Tulsa! Oklahoma did a great job of allowing us to get our kicks on Route 66! I am including my speech from Saturday night, and while I did do a little ab libbing, it is pretty much what I said.

Good evening. I want to thank all of you for placing your confidence in me and I will do my best to make sure it is well placed.

I would first like to thank Oklahoma for a great Conference! Words cannot express my thanks for my Kansas members for their support throughout the years. Would you please stand and be recognized? Would my District J members please remain standing? Thank you for all you are doing for me this year (and next). To the two special ladies who did my installation, words are not enough. Linda Schmidt's installation as Kansas State President was my first State Convention. She has been a mentor and good friend throughout the years. We have come a long way baby! Kansas' first MARC Conference was LeAnn's when I was State President. She pushed hard for Kansas to join MARC and I am so glad she did and tonight we celebrate the spirit of MARC. And I wouldn't be standing here tonight without the unconditional support from my husband Scott, who is home with our fur babies. All he ever asks is where and what time and can I wear shorts? I love you!

As Denise and Charlotte stated in their reports, membership is dwindling in all our States, and we are having to make some hard decisions. Changes are coming and we need to be able to embrace those changes in order for this great organization to continue. I ask that you all do some brainstorming in your States and find a plan that fits for your membership. What is right for Kansas probably will not fit in Wisconsin. The only right answer is what will work in your State.

I am so glad to see some new faces in the audience and on my Board. This means ESA is still an important part of everyone's lives. As we go into the next year, I encourage all of you to "Be all you can bee with ESA" and in every aspect of your life.

I am looking forward to this coming year and hope to see you all at IC in Grapevine and in Peoria for the MARC Conference.

I had such a wonderful MARC Conference! Thank you to our Oklahoma ESA family for planning such a fantastic event for us! Your hard work was greatly appreciated. Thank you again to my board for your unending support and knowledge. You kept me on track. You are definitely my people! Thanks for the MARCettes for being my honor guard and for the fun induction into your group. And most of all thanks to all of you for your trust and your faith in me and for helping me leave my MARC on ESA.

Congratulations to Bonnie and her board. I know you will have a bee-utiful year!

So....as Junior Past President it is now my job to convince all of you to run for the MARC board. I can honestly say that I never dreamed I would be on the MARC elected board, much less serve as your President. But I must admit it was a great journey. I served as recording secretary twice. The first time I took notes, they told me I did too good of a job and didn't need to get so far into the nitty gritty (LOL), the second time I really got the hang of it. I also served as Communicator with my friend Mary Abplanalp, I really enjoyed seeing what the other states were doing and I enjoyed putting the newsletter together. Serving on the MARC elected board is a great opportunity to develop your leadership abilities, broaden your understanding of MARC and get a little bit out of your comfort zone. You will have a lot of support from past board members and the board members serving with you. So I encourage all of you to submit your nomination forms and "Bee All You Can Be in ESA".

Kim Poling
Jr. Past President/Nomination Chair

Amanda Rowland, Secretary

Hello MARC family! WOW What a Conference. Congratulations to the Oklahoma ESA sisters and brothers who put on a great Conference for us! I had such a great time laughing and sharing with all of you! It was so nice to meet so many new faces as well.

As they say, “When one door closes another one opens”, and I must now transfer the Treasurer duties onto my dear friend Brittany. I had such a fantastic time being your Treasurer. It was such a great experience for me, and I hope I did all of you proud.

I am so excited I have your continued support to move on and now take on the role of Secretary. I am looking forward to keeping track of the minutes for the meetings and sharing them with all of you.

I really hope to see lots more MARC members at the upcoming ESA events: Leadership, IC Convention, and the Marc Conference next year in IL. Its so much more fun when we all can be together.

Don't forget to think about running for the board or take an appointed office. We can't function as a organization if we don't have great people like you step up and fill those positions. Please also remember that we do still need to get those new members in ESA. Keep sharing and hosting events/new events.

Once again, I wanted to say thank you to all of you for an amazing year and I can't wait to get started on 2022-2023! Congrats to the new board! We are the bees Knees! Let's rock MARC!

Happy Holidays MARC! May your thanksgiving and Christmas holidays be blessed. My niece Rebecca was married on November 12th. There is nothing like sharing with your family such a special event. I hope each of you has some special family time in the weeks ahead.

It was a wonderful MARC Conference in Oklahoma. I so enjoyed the trip with my Omega Nu sisters Jill Shull and Misty Evans. The conference was very educational and fun seeing old friends and making some new. I learn something new every year at a MARC Conference. Be sure to mark your calendar for the 2023 MARC Conference in East Peoria Illinois.

On the 5th of November, I traveled to Orlando for my second SERC Conference. They do things alot different than MARC but it is good. I've met some amazing ESA members from SERC and they are very welcoming.

I want to remind you all that it is time to pay your International Council dues. They must be paid for your chapter and/ or auxiliary to be able to vote in the IC elections. Please get your dues paid as soon as possible.

A few years ago, the Christmas social committee made a Christmas cookbook for each member, Enjoy this Sangria recipe.

12 ounce can frozen lemonade

24 oz water

large bottle cheap red wine

2 liter bottle of 7-Up or Sprite

1 cup sugar

orange, lime, lemon slices

Mix all ingredients in a large punch bowl, stirring until sugar dissolved. Serve
You can put the fruit slices in a jello mold of water and freeze for an ice ring.

Celeste Webb, IC Treasurer

MARC - ESA FOUNDATION --- 2021-2022 - Birdie Elkofska

All of you who attended the last MARC Conference certainly did support the BOOKS and BEVERAGES fund raiser for the scholarships ... MARC and also the PURPLE HEART scholarships. I would say that for every Beverage Bottle donated I would receive a bag of ten or more books. So, at the end I decided to sell any book for \$10 rather than doing a 'cork pull' for the prize. This worked out very well and I took home 2 boxes of books which I continued to sell. I did report to Jill Shull for the Conference Minutes the total of \$771. However I kept selling and the revised total is \$841 !!!!!

THANK YOU all for donating and purchasing corks for the 'pull' and thank you to all the helpers who helped me man the booth in the Hospitality Suite.

And a special Thank You to Diane Vanusek who hauled and lifted and pushed carts of books and beverages for me. They sure get heavy fast.

ESA Foundation Scholarships were the BIG
WINNER thanks to all of YOU !!!

Indiana ReMARC's Report
November 1, 2022
By Jan Rahn & Pam Vogel

Greetings from Indiana! We are so thankful for having the opportunity to travel to Oklahoma in October for the annual MARC conference. Indiana was represented well. We would like to take this opportunity to thank the Oklahoma State Council for being such gracious hosts. We really enjoyed our time together.

We would like to congratulate Alley Gary for accepting the position of Foundation Chair on the upcoming MARC Executive Board. Alley is a member of Eta Pi in Fishers, Indiana, serves on the Indiana State Board as Junior Past President, and is extremely active in various philanthropic projects. She also represented Indiana as Registration Chair for IC in Indianapolis this past July and currently serves as Tech Squad Chair for the IC Board. Alley is always willing to serve her community, as well as various boards, and we feel she is a great asset to the MARC board. Congrats, Alley! Indiana is extremely proud of you!

Indiana is also very proud of BJ Voll as she has accepted the position of Philanthropic Chair for the current IC Board. BJ is extremely vital to the leadership of ESA. Not only has she served Indiana at the state level but also various positions within MARC and IC. Her willingness to guide new members, her years of service to the leadership of ESA, as well as her grateful heart makes BJ irreplaceable at every level of ESA. BJ's body of service to ESA is too numerous to list here as she, too, is always willing to serve where she is needed. Good luck, BJ! Indiana is extremely proud of you and are grateful for all you service!

Speaking of the Indiana State Board, Fall Conference was held on October 23 in Roanoke, Indiana. Roarin' For ESA is President Jennifer Skinner's theme for Indiana this year. Betty White was well represented as she was born during the Roarin' 20s. It was a great mix of ESA business and fun games. Members dressed as Betty White, whether it was in her classic pastel colors or ready for a midnight rendezvous with a slice of cheesecake as Rose from The Golden Girls. It was a great day for food, fun, and friendship.

Indiana looks forward to meeting again in March for Spring Conference to be held in Indianapolis on Saturday, March 8, 2022.

Hello from the great northern tundra of Minnesota, home of Babe and his baby blue ox. We are enjoying unseasonably warm weather right now, which is not a complaint at all. When we can still be in shorts and sandals in November, I say, bring it on!! The Minnesota had a great time at the MARC Conference in Tulsa OK, with lots of fun travel stories to accompany us! And the speakers, we thought were phenomenal and really share some great messages for us to take back to our home state. The next big event that we have happening in MN is a Style Show that is happening the first weekend in November. It is well attended, and a great way for us to celebrate the 50th anniversary of ESA and St. Jude Children's Hospital. We also have a chapter that is busy with their annual holiday craft sale the same weekend. I can't wait for them to post some beautiful photos of their wreaths that were created by the members. I heard there may be around 50 different wreaths to choose from and several were made from recycled items! Wonderful work ladies and gents. Our October meeting was just completed, and we had a great turnout of members in costumes and some without. But the FOOD was delicious! We played a fun game and had prizes too, so everyone went away happy campers. I've heard a few photos of the day. It was again a beautiful afternoon, with sunshine and pumpkins! Our Medtox project continues to blossom, and we have about 16+ members that meet every Monday from around 8 – 12 noon to build testing kits for Labcore. We are so lucky to have this project and continue to earn wonderful dollars for all of our philanthropic projects, the Foundation scholarship funds, and ways and means for our state to send officers off to leadership and conventions. Several people asked about it at the IC Convention. My best suggestion would be to reach out to a Labcore or similar organization in your community to see if they would do the same. Assembly work is easy and many of members that can't do other strenuous projects are able to do this and it gives them some social time to visit and connect with ESA and other volunteers that we bring together. We hope you all have a wonderful holiday season, stay safe, and keep up all of the good works, good friends and good service!

Julene Donnay and Diane Vanusek, MARC Reps from Minnesota

Oklahoma News

Linda Jones
Oklahoma State ESA President 2022-2023
www.oklaesa.org

Oklahoma chapters have been busy honoring the men and women who answered the call to serve our country.

Sigma Chi, Inola Chapter has made yellow ribbons for all students in Inola Public Schools to wear at the annual Veterans Day assembly which Sigma Chi host each year.

Kappa Theta, Guthrie honors the Veterans of the Guthrie Area each year, with a special program. Chapters are gathering items for Christmas care packages and will be putting packages together alongside the Blue Star moms of Wagner County.

The Tulsa Area Council (TAC) of ESA collected gift cards for the Military Order of the Purple Heart, which is an organization for combat wounded veterans and their family members.

Oklahoma ESA loves our Veterans!

The MARC Conference in Tulsa, Oklahoma was my first conference, and I must say I was very excited to be there as the Ohio representative. As a fairly new member to ESA, I had heard from many chapters how wonderful the speakers were and I certainly was not disappointed. Thank you to the conference committee for great presentations. Lori Fullbright gave so much information that I took back to my chapter about protecting yourself. Katie Drilling and Dr Michael Horton presentations were equally extremely interesting. I had interesting conversations with members who were nominated to be on the MARC board. Listening to the reports and voting on issues gives you a sincere look at what is happening in MARC and ownership.

Membership is an ongoing need in all states. My chapter, Delta Chi, was on a retreat at a lake house and we did a zoom meeting with Amanda Rowland's chapter, PIXI, each of Delta Chi members sharing why ESA is important to them. PIXI gained a new member. Delta Chi members walked and volunteered at the St Jude Walk and we gained a new member. We have invited guest to come to our meetings demonstrating just how much fun we have, and we have gained 2 new members. At this time, I have not spoken to all our chapters, but I will see several of them during the holidays, hopefully more new members.

Respectfully submitted,
Marsha Reynolds, Ohio

PROPOSED CHANGE TO STANDING RULES:

Add:

XV. MARC Leadership and Conference

- A. The annual MARC Leadership and Conference shall be hosted by a MARC state according to a rotational plan.
- B. Based on historical information and bids received, the following rotation will begin in 2015 and will continue in chronological order every 11 years thereafter.

Rotational meeting plan - 11 years:

2020 - Indiana
2021 - Kansas
2022 - Oklahoma
2023 - Illinois
2024 - Missouri
2025 - Wisconsin
2026 - Nebraska
2027 - Minnesota
2028 - Michigan
2029 - South Dakota
2030 - Ohio

- C. A member state that cannot host in rotation must advise the MARC Junior Past President / Nominating Committee Chairman at least two years prior to the scheduled date so that an exchange of year can be negotiated with another member state.
- D. Host State Chairman and/or co-chairmen will be announced 2 years out at the MARC meeting at IC.
- E. All profit from the Annual Conference shall be given to the MARC treasurer for deposit.

- F. *The annual MARC Leadership and Conference hotel contracts will be signed each year by the current MARC President.***

Reason: To clarify that MARC is the responsible party for any hotel indebtedness and is the official representative for the conference and not the hosting state.

Example: If MARC does not meet the attrition, then it is their responsibility to pay, not the host state.
