

On Your MARC

ReMARC
March 2024

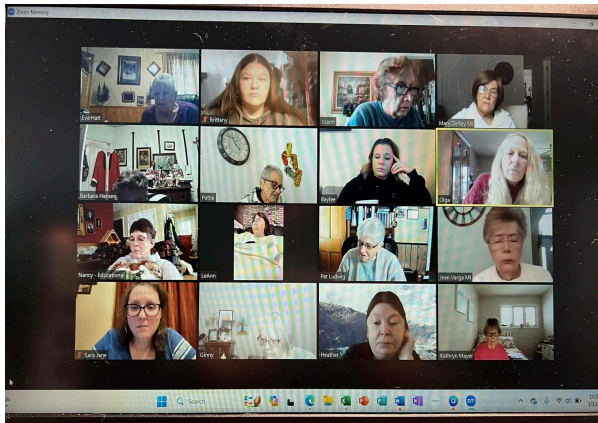

Hello fellow **MARC** members. Are you **ON YOUR MARC?** Wow...a lot has been happening. **A Vision to Connect through Communication** has been implemented with our **Midwest Area Regional Council Facebook** page. We are over one-third of the way through the year with **MARC State of the Month**. JOIN THE CLUB!!! In November we kicked it off with the State of Illinois. In Coles County there are three chapters, Alpha Upsilon, Beta Mu, and Omega Nu. These three chapters gathered for an afternoon of Friendsgiving. They plan on taking this group into other collaborations. The month of December brought us the State of Missouri. Beta Tau Chapter in Columbia had their first Elan member become a

Community Chapter member as she turned 18. Michigan was our January State of the Month. The weather was not being very cooperative as they had to pivot and have their board meeting

via Zoom. February rolled out Wisconsin. It seems that Judy Baxter and Claudia Hatton were on their way to the annual trek to IC Leadership. Minnesota was the March State. Julene Donnay has been keeping us abreast of the interesting facts of Minnesota. Minnesota also has a project that brings them together every

Monday at Medtox to assemble drug and lead testing kits. Be on the lookout for April as Indiana will be on board. May will bring us Kansas. June will be Oklahoma. July is South Dakota. Nebraska is August. Ohio is September and we will have Illinois finishing up the **MARC** year. Be sure to look to **the Midwest Area Regional Council** page on Facebook and check us out and let us know what you are doing.

A Vision to Connect Through Communication is also active with targeted Zoom meetings. I know that our monthly Zoom meetings are helping me keep **MARC** on track. I hope it is helping others. There is a Zoom meeting every 3 months for the State Presidents and **MARC** Representatives in November, March, June, and September. The Appointed and Elected Boards are welcome to attend this meeting. (I apologize to the Marc

Representatives as I did not realize that they were not included on the first meeting). Next group Zoom meeting is geared to the Appointed Board. Elected Board is also invited to join in on the November, February, May, and July months. And then finally there is the Elected Board Zoom meeting in October, January, April, and July. We try to keep these meetings fun and informative with no actual business of **MARC**.

We are looking forward to seeing everyone at the **MARC Meeting at IC Convention**. We have lots to discuss. Bylaws, standing rules, and budget will be presented. Nominations will also be presented as well as the upcoming president's theme. We will also hear more wonderful news of the upcoming **MARC Conference**.

Your Executive Board was hard at work a few weeks ago with the **MARC Mid-Year Meeting** at the Sheraton Westport Plaza in St Louis. Let me tell you there was a lot to cover. But, those in attendance and a few on Zoom got things done. More information will be coming to you at your State Conventions. The **MARC Conference** site will be busting at the seams with activity. The Missouri Torchbearers (past presidents) are doing an AMAZING job with Ruth Williams and Brenda Fields at the helm. The hotel is in the process of remodeling the guest rooms. The new décor is very calming and spacious. There are restaurants attached to the hotel. As well as a Funny Bone Comedy Club. If you want to venture out a few yards to the courtyard you will find many more options for dining, desserts, games, and live music. This is an opportunity for you to just park your car (Level 2 has direct hotel accessibility) and enjoy the area. If you want to venture out to quaint shopping and casinos, they are just 10–15-minute drive away in St Charles, Missouri. Get your room reservations now and your registration sent in!! There is lots to do **Under the Arch in Marc** on **October 11-12, 2024**. Hope to see you all there, so, get **ON YOUR MARC...**

2023 - 2024 MARC President

Vice President – Amanda Rowland

Hello, my lovely MARC states and beyond! It's springtime here in Ohio! The flowers are blooming, and I am so ready for the warm weather. I just returned home from the Mid Year meeting in AMAZING St. Louis! When I tell you to come to MARC in October-I mean it! The hotel is great. The surrounding areas are alive and amazing. Food, drinks, live music-All within STEPS! I had such a fantastic time, and I am so excited to go back in October.

Jill Shull, President, lead us in a very productive and efficient meeting on Saturday March 16th. Everything went smoothly, even BYLAWS if you can believe that! Be ready to vote in October on some much-needed housekeeping and maintenance items, along with the budget. But most importantly be ready to party like it's the 80s at the banquet on Saturday night. This MARC Conference is for sure one you do NOT want to miss.

CALLING ALL AMAZING People in MARC! We need you! I need you! Come serve on the MARC board with me! I am starting to think about what positions we will need, and the enormous opportunity MARC gives us to serve. I am very excited to work with everyone who is interested. If you are unsure, please reach out to me. I would love to get something in place for you on the 2024-2025 MARC Board.

State conventions are happening in just a few weeks, and I am excited to be the MARC rep for Indiana again. I know they always put on a great convention. Thank you, Cindy Norman, President for having me and Kary Soto incoming President. June can't come soon enough.

After state visits we are onto IC Convention in Overland Park, KS. I have been hearing lots and lots of good things about all the workshops and speakers this year. I know the convention committee has been working super hard to make this year great. Everyone needs to get their registrations forms in asap! We want to see you in July!

Please reach out to me if you ever have any questions about anything or you just need to chat or want some ESA merch. I'd love to speak with you. Until we meet again, don't forget to BeYOUtiful.

So many exciting things coming up in the next several months.

I am making my first State visit as MARC representative to Missouri in April and am looking forward to attending.

In May my husband retires; there are lots of mixed emotions with this one as “he’ll now be in my space” since I retired in December. I’m sure we’ll manage to make it work. HAHA

Our 2nd grandchild is due June 1st, this will be our oldest son’s first child. They are not sharing name or gender so we will all be surprised.

I hope many of you are planning to attend IC convention July 7-14 in Overland Park KS. The convention chairs have worked very hard to provide tours before convention starts and some wonderful activities during convention and of course, all the awards and catching up that occurs. And I’ll wear my IC hat with this one, but get your items ready for the Association of the Arts room, show off how creative I know you all are...

Fast forward to October where we will meet October 11 & 12 at the Sheraton Westport Plaza in St Louis for MARC conference. Our mid-year meeting was held there and I cannot wait for you all to have as much fun as we did. There are local restaurants with local bands within walking distance to the hotel. Parking is free in the garage so park and walk to your hearts content. The hotel rooms have been recently remodeled and look super awesome.

State Reports

Michigan

Hello from Michigan with our crazy winter weather. A little snow, then no snow with temperatures in the mid to high 60's to below freezing. Also rainy days with high winds. Hopefully, we'll have a nice spring with lots of warm showers that make our flowers blossom in abundance.

Our ESA MSC Lambda Chi Chapter hosted our "Fun Day" March meeting this past Saturday. It was indeed a very fun day. With St. Patrick's Day being Sunday there was a lot of "Wearing of the Green." A trivia game was played throughout the meeting with questions pertaining to Ireland. Winners of each question got to pick a nice prize from the gift table. We had an informative and interesting presentation from Veterans Connected. The speakers explained their services provided to our veterans and families after returning to civilian life. After our business meeting and delicious lunch President Baylee Pfiester conducted a cookie decorating and craft session. Each of us could choose a big thick 4 leaf clover cookie to decorate after her training session. I must brag a bit and admit that Michigan does know how to have a "Fun Day!"

More details of our ESA MSC Convention in May at the Barvarian Inn, Frankenmuth Michigan was shared with the group. Wonder what fun this Monopoly themed convention has in store for ESA MSC?!
Wishing all of you a very blessed Easter celebration.

MSC MARC Representatives,

Oklahoma

Hello from Oklahoma State Council
OK State President, Patty Heer

This year is already operating at top speed. The Tulsa St. Jude Home is under construction in preparation for another wonderful fundraiser. There will also be a St. Jude's Run coming up in Tulsa, September 28, 2024. Volunteers and runners are needed. This will be a fun time of making new friends while helping a wonderful organization.

Oklahoma's State Convention is fast approaching. April 26-28, 2024 at the Delta Hotel by the Marriott at the Reed Convention Center, Midwest City. The theme this year has been "Oh, the places we will go", convention theme is the "Journey". We would love to see you at the OK State Convention!

This year OK has worked on educating its members on the opportunities in ESA and the tasks of some of the State Chairmanships and how the use of technology can be helpful in ESA. Webmaster, Aletha Bolt and Assistant Webmaster, Linda Jones have been hard at work finding a new platform and getting it ready to go. We are really excited to be rolling out a new website soon.

You are made to do the impossible, because impossible is made possible through each step you take, so never put a limit to who you can be and what you can achieve.

And will you succeed?

Yes! You will, Indeed!

Chocolate-Chip Banana Bread

By Erin Jeanne McDowell

YIELD One 9-inch loaf

TIME 1½ hours

This recipe uses four bananas, which is more than is typical for a single loaf. The natural sugars from the ripe, brown bananas keep the bread incredibly moist for up to one week, even sliced. The high moisture of the batter can make it tricky to determine doneness, so take care not to underbake the the loaf. It should have a dry, shiny, cracked surface, and a tester inserted into the thickest portion should come out with a few moist crumbs attached. Serve this banana bread for breakfast or brunch, or even as a simple dessert, topped with a scoop of coffee ice cream.

INGREDIENTS

Nonstick spray, as needed
4 very ripe medium bananas, peeled
6 tablespoons/85 grams unsalted butter, melted
 $\frac{1}{2}$ cup/80 milliliters plain Greek yogurt
1 cup/220 grams light or dark brown sugar
2 large eggs
2 teaspoons vanilla extract
2 cups/255 grams all-purpose flour
 $1\frac{1}{2}$ teaspoons baking soda
 $\frac{1}{2}$ teaspoon fine sea salt
1 cup/135 grams finely chopped chocolate or mini chocolate chips (see Tip)
 $\frac{1}{4}$ cup/130 grams coarsely chopped toasted nuts, such as almonds, walnuts or pecans (optional)

PREPARATION

Step 1

Heat the oven to 350 degrees. Lightly grease a 9-by-5-inch loaf pan with nonstick spray.

Step 2

In a large bowl, mash the bananas coarsely using a fork. They should be fully broken apart, but it's OK if some larger lumpy pieces remain. Whisk in the melted butter, yogurt, brown sugar, eggs and vanilla until well combined.

Step 3

In a medium bowl, whisk the flour, baking soda and salt to combine. Add the flour mixture to the banana mixture and stir to combine using a silicone spatula or wooden spoon. Scrape the sides and base of the bowl well to make sure the mixture is uniformly combined.

Step 4

Gently stir in the chocolate until combined, then pour the batter into the prepared loaf pan and spread into an even layer. If using, sprinkle the surface generously with coarse sugar.

Step 5

Transfer the pan to the oven and bake until the edges of the loaf

Coarse sanding or turbinado sugar, as needed for finishing (optional)

start to pull away from the edge of the pan, and a tester inserted into the center comes out with just a few moist crumbs attached, 60 to 75 minutes. If the top of the loaf is becoming too dark before it's baked through, loosely cover with foil.

Step 6

Transfer from the oven to a cooling rack and run a thin knife around the edge of the banana bread to separate it from the pan. Let cool in the pan for 10 minutes before unmolding and cooling completely.

Tip

To make chocolate chocolate-chip banana bread, reduce the all-purpose flour to 1 3/4 cups/225 grams, and whisk in 1/3 cup/30 grams cocoa powder with the other dry ingredients in Step 3.
